

Hello Families and Friends!

This summer our school-age children had the opportunity to collaborate with the Brunswick Senior Center to host a lemonade stand to raise money for "Alex's Lemonade Stand". The children took turns weekly in July visiting the Brunswick Senior Center to sell lemonade to the community and enjoy lunch with the seniors.

Our goal is to raise \$500.00. We currently have raised \$248.23!! We are very proud of all of our children who took time to explain to customers about Alex's dream and why we were raising money for this great cause.

Alexandra Scott was a child who was diagnosed with cancer at the age of one. At the age of 4 she announced she wanted to host a lemonade stand to raise money to find a cure for childhood cancer. Before Alex passed away in 2004 she reached her goal of raising 1 million dollars! Please refer to the fact sheet on the back side of this letter for additional information.

We will be hosting our own Alex's Lemonade Stand at Educare on Wednesday, August 11, 2010. We will post signs or check with the front desk for the times the stand will be open for Educare Families.

We would appreciate your participation to help this wonderful cause. You can visit our lemonade stand website to make online donations by clicking "donate now" at <http://www.alexlemonade.org/mypage/67343> Checks payable to "Alex's Lemonade Stand" may also be dropped off in our jar at the front desk.

Thanks for helping us exceed our goal!

Ms. Carrie, Ms. Meghan, Ms. Tonia, School aged class, Ms. Cathy and the Brunswick Seniors
